

The diagram consists of a light gray rectangular box with a black border. Inside the box, the text `models.gemini.GeminiModel.__init__` is displayed in a black, monospaced font. Above the box, a dark blue curved arrow originates from the left side of the box and points to the right side, indicating a self-call or a recursive reference to the `__init__` method.

```
models.gemini.GeminiModel.  
__init__
```
